NPIC/P&DS/D/6-1540
26 August 1966

MEMORANDUM TO: Chief, Exploitation Systems Section, DB
ATTENTION [REDACTED]

25X1

THROUGH : Chief, Development Branch *f*

SUBJECT : Action Instructions Regarding the [REDACTED] Enlarger 25X1

REFERENCES : (a) EDLB Memo to Chief, DB re subject, dated 10 Aug 1966
(b) EDLB Memo to Chief, DB re subject, dated 25 Aug 1966

1. Reference (a) contains a thorough discussion of the theoretical and practical performance characteristics of the subject enlarger as well as certain recommendations concerning its disposition. Only those in the final paragraph on the last page are still appropriate. Be certain that these are accomplished.

2. Reference (b) states a recommendation to furnish the enlarger [REDACTED] as GFE to be used in the Image Analysis Program. We concur in this. Please indicate this intention [REDACTED] as soon as possible. Confirm it in writing through the contracting officer. Be sure both of these actions are coordinated [REDACTED] before the fact. 25X1
